The subject will be "Ancient Order of Hibernians, Past Present and Prospective Future." The Hon. E. J. Slattery is one of the best orators in New England, and his ability to handle this subject cannot be questioned. He has held several important offices in this order and is at present national lecturer of the order. Mr. Slattery has also served two terms as state senator in Massachusetts and was the candidate for lieutenant governor on the Democratic state ticket in 1900. It was only after considerable effort on the part of the committee and no little coaxing on Mr. Slattery's part, that he decided to come to Graniteville. This entertaining lecture alone is worth more than the price of admission, and is an excellent opportunity for the people of this vicinity to listen to Mr. Slattery.

ATTRACTIVE TRIFLES.

White Parasols, Lead-The "Aitce" Sunshade—Three Piece Suits.

A decided preference will be manifested this season for white parasols. Metal and ivory handles are in evidence on the more expensive kinds.

There is a sunshade in Mrs. Nicholas Longworth's trousseau that will be much copied. It is a "star" parasol designed by the bride and carried out in filmy rows of gathered white chiffon.

Many women will rejoice at the tidings that three piece suits are to be in vogue this season. The waists worn with these suits are lingerie affairs that daintily top the corselet skirts. There is a jacket to match, but in most instances it is such a diminutive affair that it requires considerable imagination to feel sure that it exists.

A stunning three piece suit is made of orchid pink cloth. The circular skirt has a flounce at the bottom, and the

organdie. The skirt is trimmed almost to the waist with alternate bands of tucks and lace. The evening bodice has its fullness tucked and bloused over a deep girdle of pompadour ribbon. Lace trims the décolleté neck.

A DANGEROUS MISTAKE

Barre Mothers Should Not Neglect Kidney Weakness in Children.

Most children have weak kidneys. The earliest warning is bad writing. Later comes backache, headache, lameness.

This is a mistake to neglect these troubles. To blame the child for its own distress.

Sick to cure the kidneys—Save the child from deadly kidney ills. Doan's Kidney Pills cure sick kidneys. Barre parents recommend them.

Mrs. E. L. Batchelder of 3 Summer street, Barre, Vt., says: "My little boy suffered since he was a child from weak kidneys and backache. He had headache and dizziness and there was an annoying trouble with the kidney secretions, which were irregular in action, highly colored and full of sediment. Knowing that Doan's Kidney Pills had brought good results to others in our family, I got a box at E. A. Drown's drug store and he began using them. We could soon see that the remedy was helping him. He did not complain so much of the pains in his back, while the action of the kidneys became more regular and the secretions resumed their natural color. Doan's Kidney Pills seem to cure the old and young alike, and I am only too glad to give them my endorsement."
